

Pillow Talk

Pillow talk is a list of seven romantic questions that can help build intimacy between you and your spouse. It is a way to explore each other's thoughts, feelings and desires in a loving and meaningful way.

1. What do you love most about me?
2. What's the most romantic thing I have ever done for you?
3. What is the most romantic thing I could do for you?
4. What do you think is the key to a successful relationship?
5. What do you think makes us unique as a couple?
6. If you could plan a dream date, what would it be like?
7. What's your favorite memory of us together?

Song of Solomon 4:11 & 16

Husband

11 Thy lips, O my spouse, drop as the honeycomb: honey and milk are under thy tongue; and the smell of thy garments is like the smell of Lebanon.

Wife

16 Awake, O north wind; and come, thou south; blow upon my garden, that the spices thereof may flow out. Let my beloved come into his garden, and eat his pleasant fruits.
